

BIONEERS

2019 MARKETPLACE

Thank you for your interest in the 2019 Bioneers Marketplace! Your presence will enhance the Bioneers conference experience by broadening visibility and expanding awareness as we envision—and co-create—a vital and restored world. You will have a chance to showcase your offerings and initiatives, and to connect with new clients and supporters.

Here is some basic information about Bioneers and the Marketplace for your reference. Please note that some details are subject to change.

What is the National Bioneers Conference?

Bioneers is an innovative nonprofit educational organization that highlights breakthrough solutions for restoring people and planet. Founded in 1990 in Santa Fe, New Mexico by social entrepreneurs Kenny Ausubel and Nina Simons, Bioneers has acted as a fertile hub of social and scientific innovators with practical and visionary solutions for the world's most pressing environmental and social challenges.

The Annual Bioneers Conference is where you get a front row seat into a thriving and regenerative tomorrow, today. The conference is an engaging and inspiring environment of collaboration, with 4,000 people from all sectors and disciplines, co-creating the future. It's where social, environmental and scientific innovators convene to present breakthrough solutions inspired by nature and powered by human ingenuity.

The 2019 National Bioneers Conference will take place October 18th, 19th, and 20th.

What is the Marketplace?

An essential part of the yearly conference, the Marketplace is located on the grounds, offering high foot traffic as people connect, network, browse, eat lunch, and enjoy performances by musicians and artists. The booths come in two sizes at two rates, and include one 6' table with linen, two chairs, electrical power, and wi-fi access. Booth sizes are 10x10 and 10x20, see next page for prices.

How does it work?

Set up for the Fair is **Thursday, October 17th**. You are free to staff your booth as you wish on Friday, Saturday, and Sunday from 8:30 AM to 7:00 PM (note: exact hours may change).

Bioneers will promote all Marketplace businesses and organizations to our attendees and partners via our social media channels and newsletters. Exhibitors are encouraged to co-promote the Bioneers Marketplace and Conference, via email, e-newsletter, social media contacts, and on your website.

Each exhibitor is allotted one 50%-off discount code and one 25%-off discount code so their staff may purchase passes to the conference. However, exhibitors are not required to have a conference badge on the grounds as the **Marketplace area is free and open to the public**. That also means you can advertise your presence to both conference attendees and the general public.

What are the prices?

- 10x10 Booth \$1150
- 10x20 Booth \$1350
